

Application No.: 09/955,030

REMARKS

The *Ex parte Quayle* letter dated June 14, 2007. The letter requested a clean copy of the claims. Below the form paragraph, the Examiner only identified the claims as being required to be rewritten. While the specification was amended during prosecution, the Examiner did not indicate that a substitute specification was required. Accordingly, a clean copy of the claims as amended is provided herein.

The letter required corrected drawings. A replacement sheet for the drawing is enclosed with this response.

It is believed that Applicant has complied with all of the requirements set forth in the Examiner's *Quayle* letter.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due under 37 C.F.R. § 1.17 and in connection with the filing of this paper, including extension of time fees, to Deposit Account 500417 and please credit any excess fees to such deposit account.

Respectfully submitted,
